EXCERPT FROM JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Monday - 17 January 1972

12. (Internal Use Only - LLM) Called Lisa Gerard, Office of Management and Budget, in an attempt to determine the Administration's position on H.R. 9853, "Commission on the Classification and Protection of Information," and she advised me subsequently that Mr. David Young, National Security Council staff, was handling this bill and similar legislation and that we should get our advice from him.

EXCERPT FROM JOURNAL  
OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 19 January 1972

9. (Internal Use Only - LLM) Called Jim Wilkinson, Office of Management and Budget, concerning their request for Agency comments on H. R. 9853 on an expedite basis and learned that they were soliciting comments from agencies for the use of David Young, National Security Council staff, who is formulating the Administration's position on H. R. 9853, which establishes a Commission on the Classification and Protection of Information, as well as on two others, H. R. 10277 and S. 2965. In response to my query, Wilkinson said that it was likely that the eventual position would be that any problem could be resolved by revision of Executive Order 10501 and that legislation was not necessary.
